GETTING IT RIGHT IN THE  
CALL TO END HOMELESSNESS

by *Kevin Nye*

To end homelessness, we don't have to choose between faith and facts.

## Grace Over Guns

PURSUING PEACE IN A MILITARIZED WORLD

by *Ben Daniel*

We need to talk about the reality of war.

War remains a clear and present evil, yet many North American Christians feel unequipped to talk about it. When nations drop bombs, invade territories, or fund proxy wars, our responses often align more with politics than with the teachings of Jesus.

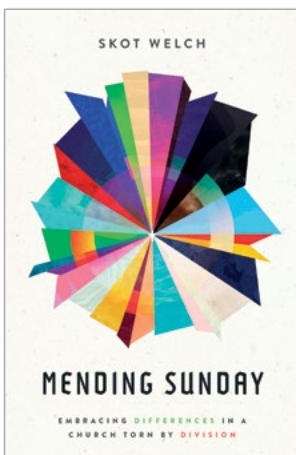

In *Grace over Guns*, pastor Ben Daniel exposes how allegiance to military power—seen in massive defense budgets, patriotic displays, and recruitment efforts—shapes our faith and culture. With insight from story and Scripture, Daniel challenges common Christian justifications for violence and calls readers to examine war through the lens of the gospel.

*Grace over Guns* urges followers of Jesus to reject militarism and embrace the grace and peace of Christian pacifism.

## Mending Sunday

EMBRACING DIFFERENCES IN A CHURCH TORN BY DIVISION

by *Skot Welch*

God compels us to unity amid difference.

God calls us to unity—not uniformity. True unity isn't found in sameness but when people of every race, culture, and background come together in Christ. Yet Christians remain among the most divided people in the world, splitting along political, racial, and denominational lines that grieve God's heart.

In *Mending Sunday*, author Skot Welch offers a hopeful, practical path toward healing these divisions. Drawing on Scripture and experience, he shows how believers can embrace diversity without losing their God-given identities. When Jesus is at the center of our communities, our differences become a testimony to God's reconciling power.

A vision for a unified, diverse church, *Mending Sunday* invites us to become living witnesses of Christ's transforming love.

## Intimate Conversations

CHRISTIAN SEXUALITY BEYOND PURITY CULTURE

by *Susannah Larry*

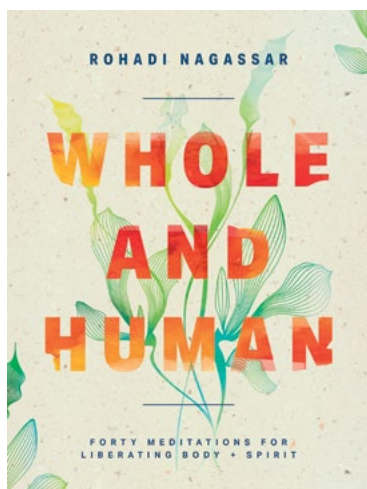

The Bible can help us have better conversations about sex.

The Bible is often quite vague on the whos, whens, wheres, and whats of sexuality, but it does offer a beautiful image of the why: to know and share the love of God. *Intimate Conversations* offers a vision for sexuality that is empowering, faithful, and life-giving. Rather than a rulebook or an encyclopedia, the Bible tells us a story of God's desire for justice, reconciliation, and joy for all people—including our sexuality. God longs for all humanity to experience wholeness. Grounded in Scripture and celebrating the goodness of human sexuality, *Intimate Conversations* will help adults reclaim the Bible as a resource for telling a joyful and holistic story about sexuality.

## Bad Religion, Good News

AN HONEST GUIDE FOR THE SPIRITUALLY DISAPPOINTED

by *Scott A. Bessenecker*

The church has a checkered past—and present.

Christians vigorously upheld slavery in the Americas, apartheid in South Africa, the Crusades, and internment camps. Religious wrongdoing is more than history. Many today have suffered church-related trauma themselves or have loved ones hurt by fellow believers. Some of us have distanced ourselves from the church as a result. Others who have remained may feel a certain sickness from constant disappointment with religious people and institutions. Does admitting this make us bad Christians?

Healing begins with an honest confrontation of the church's sins—and our complicity in them. This invitational guide will not only help you to overcome disappointment with the church, but will invite you to embody the alternative to control and empire that the church was always meant to be.

The 38th volume in the Believers Church Bible Commentary series works at interpreting the letter of James with a view to how its original Jewish Christian readers would have heard it and how it continues to have resonance today. Scholar Sheila Klassen-Weibe is attentive both to detailed exegetical issues and to how teachings fit into the larger context of the letter and the biblical story. Although the letter is sometimes perceived as disjointed bits of advice, this commentary argues that *James* has a coherent message intended to prod the church toward greater faithfulness and to encourage people to follow Jesus in all of life.

## The Road Map

ESCAPING THE MAZE OF MADNESS

by *David Icke*

“David Icke’s 1998 book *The Biggest Secret* was dubbed the Rosetta Stone of conspiracy research for connecting the dots that allowed a much bigger picture to be seen. The Rosetta Stone, discovered in 1799, revealed the language codes that allowed Egyptian hieroglyphics to be understood.

Now *The Road Map* presents a massive expansion with the benefit of a further three decades of research. The depth and breadth of this book reveals both the interdimensional panorama of the conspiracy for human control – and how we can break those chains to walk the road to freedom.

But how does it all fit together? Why? To what end? *The Road Map* provides the answers and for this reason has to be among the most important and reality-transforming books ever written.”

## Honest to Goodness

DISCOVERING THE TRUTH & BEAUTY  
OF A LOVING GOD

by *Furman Buchanan*

This devotional book invites readers to spend time each day examining God's own words in the Old and New Testaments so that we might better understand who we are, who God is, what God expects from us, and—likewise—what we can expect from God. Through the words of Jesus, we discover the one-ness of the Father's love, revealed in the beloved Son through the power of God's Holy Spirit.

The common denominator in all these words and deeds is honesty. And listening to God's honesty leads us to experience God's goodness. In other words, as we discover more of the truth and beauty of a loving God, we can move from honest to goodness.

God wants us to think, speak, and act in response—the more honest and good, the better. In a world filled with deception, greed, and violence, people of faith are called to stand up and speak out for honesty and goodness.

This is a thoughtful companion for a journey through Lent or for anytime of the year.
